

Invitation to an Out-of-Style Fashion Show

What have you saved
That used to beguile...
But can't wear anymore
'Cause it's now
"OUT-OF-STYLE".

A wedding gown
Yours of your mother's
Would be a delight
To share with others
You kept the gown that
Used to look great
When you were still 40
and wore a size 8!

The uptight suit with
Shoulders too narrow,
The polyester pantsuit
that's now a "Pierce
Arrow."

Victims of fashion
that used to be hot
Show off again (Tho'
you've added a pot!)
Fit doesn't count
Too big or too tight.
Share something
meaningful
You'll be dressed right!

** Be your own model or we'll find
one for you... then tell us the story of
WHY you saved the outfit.*
